## *EL LAMERO*

---

This is a 17th century manor house with wonderful views over the town of Garachico. This two-storey property has large grounds, a derelict chapel, stables, etc., typical of this type of buildings. The house, in acceptable condition, also features large, empty living rooms with wooden floors and sloping ceilings in addition to a peculiar stone staircase, among other quirky features.

The building is surrounded by some 3,000 m<sup>2</sup> of unkempt gardens that include bushes, weeds, fruit trees and palm trees lending the place an air of devastation and loneliness.

- Unlimited parking space.
- Rooms available for make-up, hairdressing, etc.
