

FINCA REDONDO

This banana and avocado plantation is located in the municipality of Los Silos. A special feature in this property is the former workers' terraced houses, which recall a street in a Latin American town and include some quirky pieces of furniture. There is also a 500 sq. m. banana packing plant that includes concrete cow mangers and an office.

In addition to bananas, there are many different areas with palm trees, fruit trees and small vegetable gardens.

Some scenes for Theo Court's feature Blanco en blanco were shot here.
